Public transport company **Carris** provides a nice detailed transportation map. Once you reach Lisbon, it will be easy for you to get a printed version of it.

You can reach the conference location by subway taking the **yellow line** and stoppping at the Cidade Universitária station. The nearest bus stops (shown on the map above) are for buses 31, 35, 38, 63 and 68, but many others have stops reasonably close too.

If you plan to use the bus and/or subway regularly during your stay in Lisbon, perhaps the cheapest way to do it is to buy a Tourism Pass, valid for travel in the subway and Carris for 4 days (9.95€) or 7 days (14.10€).
